These Few Moments

For These Few Moments we have in this life, it's family and friends we should cherish the most, for they are our greatest treasures.

Special thanks to each of my enormously talented friends who helped make this project so much fun and a wonderful experience. Thank you **Todd Chuba** - Drums, **Jerry Donato** - Tenor Sax, **Mike King** - Upright Bass, **Paul Lucas** - Guitar, **Nicole Pesce** - Piano, **Greg Varlotta** - Trumpet. Also, thanks to **Eric Bart** - Guitar, **Joe Garcia** - Percussion, and **Cyd West** - Vocals. What a great opportunity it was to work with you all - and many of you again.

Special thanks to **Jerry Donato** and **Pete Pancrazi** for the support you so freely and graciously provide. Thank you **Kyle Harris** and **Paul Lucas** for your contributions, encouragement, and for believing in my dream of contributing new and, hopefully, fresh ideas to the American Songbook style of music.

Aimee, thank you for the inspiration to write “**It Was Fun**” - such fond summer memories from many years past. **Sue**, what better way to say “**Thank You**” than in a song? To my dear departed friend, **Bob Reynolds**, **Goodbye, Good Friend** - To **Uncle Roy** and **Uncle Bud**, this song's for you too. You're so loved and missed.

To all the wonderful people at the **Tempe Center for the Arts**, thank you for the wonderful opportunities and encouragement you provide to so many singers and songwriters - what an amazing organization!

What wonderful **friends** I've been blessed with - I so appreciate your never-ending support and encouragement - **Louie Long**, **Kip Martin**, **Tom & Julie Danrich**, **Lil T**, **Sandi K**, **John C**, **Mike H**, and **Mark C**, ...and so many, many more.

And to my wonderful family, **Janet**, **Katie**, **Kellen & Louise**, **Mom**, **Dad**, **Pamela**, **Gordon**, and **Aunt Nan**:
“**Don't Ever Change** - You're lovely the way that you are.”

Bob McCarroll.
